

Parks & Recreation Advisory Board Agenda Item

MEETING DATE: September 23, 2013

SUBJECT: Skinner Park Improvements Update

AGENDA SECTION: Old Business

RECOMMENDED ACTION: Receive the Presentation.

Summary

The Downtown Redevelopment Trust Board (DRTB), sitting as the City's Community Redevelopment Agency (CRA) authorized the construction project occurring along NW 142nd Ter. and NW 150th Ave. The project includes stormwater drainage improvements, roadway reconstruction and parking improvements. Additionally, the Skinner Field baseball park is being reconstructed, the tennis courts are being renovated and lighting throughout the park area is being enhanced. The project is being paid through tax increment funds from the CRA.

This presentation will offer an explanation to the board of the planned improvements to the park facilities.
